ROLL CALL

Tests will run concurrently with rolling check-in and inspection. Plan to arrive at least 30 minutes prior to your scheduled run block. This is a "show & go" event, we ask that you depart the site when you have completed all your runs unless you are available to assist other entrants. All dogs must be checked in for at least their first run no later than 15 minutes past the start of the final run block of the day.

Every dog must pass through inspection before each run. Dogs who have not been inspected for *each* run will not be run. If you do not check in by the start of the last run block, we will assume you are absent.

NO REFUNDS FOR ABSENT DOGS. At inspection, all dogs will be examined for fitness to run. Bitches known to be in season and ill or injured dogs are not to be brought to the test.

Contact the Test Secretary prior to the event to be eligible for refunds.

At inspection, bitches in season, lame and unfit dogs will be excused with entry refunded, less any online processing fees.

Early acceptance of dogs for members of the test committee may begin one-half hour prior to published test hours.

Hours

Grounds will be available one hour prior to event hours.

Event hours are from 8:00AM until all runs are completed.

It is the responsibility of each entrant to be ready with catcher and releaser when their dog is called to the line.

What is the Fast CAT?

1. Fast CAT is a timed straight 100-yard dash for dogs.
2. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually.
3. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH). MPH is calculated by

204.545 divided by the run time (204.545/x=MPH)

4. Based on the dog's size at the withers a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Under 12" = Handicap is 2.0.

5. FORMULA: MPH X HANDICAP = POINTS

6. Titles are earned at specific point levels

BCAT = 150 points, DCAT = 500 points, FCAT = 1,000 points

FCAT# = Each additional 500 points

*ACCORDING TO AKC RULES:

- Handlers in FastCAT are not permitted to **travel** down the 100-yard course **during a dog's run or just prior to a dog being released for its run.**
- It is recommended that an owner or someone familiar with the dog stand at the finish in order to catch the dog once the course has been completed. **A handler cannot recall their dog from the start line.**
- Dogs that are physically challenged due to loss of limbs are eligible to enter...For safety purposes, any dog requiring an assistance apparatus, such as a wheeled cart will not be allowed to participate.
- Dogs with artificial coloring in their coats may participate in FastCAT. The coloring must not cover more than one-third of the dog's coat. The coloring must not disperse (leave a cloud) when the dog is running...
- Handlers are not to allow dogs to be enticed through the course with anything other than the lure during its official run. NO mechanical devices including whistles, horns, bull horns, etc. or food or toys including the waving of objects to lure the dog to the finish line. You MAY CHEER and use the dog's name only.
- Head halters, such as the Gentle Leader or Halti, may be used on the grounds but must not be worn while running the course. Dogs may be muzzled at the owner's discretion...Special Training devices that are used to control and train dogs, including but not limited to, **collars with prongs, electronic training devices may not be used on dogs at AKC events.**

- This is not the complete list of FastCAT regulations – full regulations may be found at <https://images.akc.org/pdf/rulebooks/AKC1812-REFCAT.pdf>
